

# Assembly Directions for Poly Park Bench

Poly Park Bench Model #P0PB3472

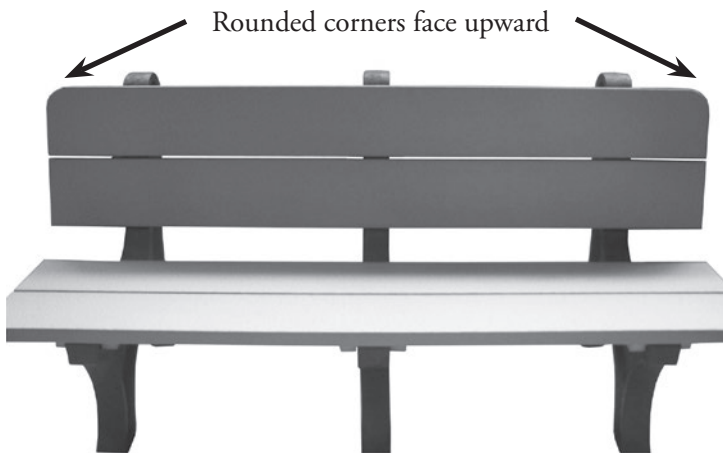

**Step #1** Place legs side by side as shown.

**Step #2** Place seat boards atop legs, fitting leg upright between supports on underside of seat. Ensure that rounded corners face forward. Fasten using 12-2½" screws.

Rounded corners face outward

2½" Screws

Rounded corners face upward

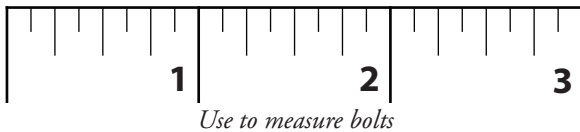

**Step #3** Place back boards against leg uprights, fitting uprights between vertical supports on rear of back. Ensure that rounded corners face upward. Fasten using 12-2½" screws.
