

Assembly Directions for Rectangular Picnic Table

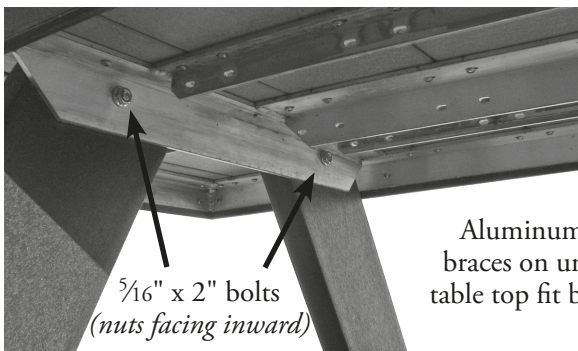

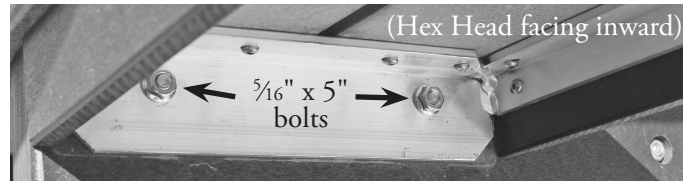

#PRPT2872

Step #1 Place legs side by side, ensuring that nuts are facing inward.

Step #2 Place seats onto supports while aligning aluminum support braces on underside of seat between seat supports. Fasten using two (2) $\frac{5}{16}$ " x 5" bolts per end (w/ hex head facing inward).

Step #3 Place top onto legs while aligning aluminum support braces on underside of table top between legs. Fasten with two (2) $\frac{5}{16}$ " x 2" bolts per end (w/ nuts facing inward).

Aluminum support braces on underside of table top fit between legs
